Gotogate – “Refund” Fee

€65 for a non-existent “service”

The screenshot shows the Gotogate website's travel conditions page. The browser address bar displays 'ie.gotogate.com/ff/travel-conditions'. The website header includes 'GOTO GATE', navigation links for 'Flights', 'Hotels', and 'Car Hire', and buttons for 'Support' and 'My Bookings'. The main content area contains sections 13.2, 14, and 15, followed by an appendix on fees. A red circle highlights the '65 EUR per passenger' fee in the 'Service fees' table. A red box on the right contains the text '€65 overcharge', and large red text to the right of the table reads 'FAKE FEE'.

13.2. Online Dispute Resolution
The European Commission provides a platform for online dispute resolution (ODS) under: <http://ec.europa.eu/consumers/odr/>

14. DATA PROTECTION
We take the protection of your personal data seriously. You can find detailed information about the collection, processing and use of your personal data in our [Privacy Policy](#).

15. PORTAL RANKING AND SORTING OPTIONS
In order to make your search results as relevant as possible we are using complex algorithms to rank the flight alternatives and determine the most relevant results to display on the Portal. When you first see your search results they'll be sorted by default as "Recommended" which accounts for lowest price, shortest flight duration, (if any), both (best value) as well as longest stay (earliest possible departure and latest possible return). It is also influenced by potential compensation from the airline(s) (if any).

On the search result page you can decide how to sort the results and/or to filter the search results to display only your chosen preferences. We can quickly rank the search results based on the following:

- Cheapest - the cheapest price
- Shortest - the shortest travel time
- Campaign - any current market campaign we have with airline(s), for which we may receive compensation from the airline. If there is no active campaign the search results in this category will be ranked based on the cheapest price.

APPENDIX 1 - FEES FOR ADMINISTRATIVE ASSISTANCE

Service fees	Fee
	15 EUR per passenger For requests to find an alternative flight option beyond the one already offered by the airline, in the event of a timetable change or cancellation by the airline (see section 3.4).
	40 EUR per passenger For changes or cancellations requested by you, as well as for manual assistance such as making a new booking or adding passengers (see section 3.5).
	65 EUR per passenger Only applies to refund inquiries requested after the original departure date in case of non-appearance for or non-attendance of the flight (see section 3.6).
	<i>*All prices include VAT</i>

Please note that any change and/or refund is subject to the airlines conditions and airline fare rules. Additional fees of the airlines may be incurred. We, as intermediary, have no influence thereon.

If the desired change leads to a more expensive ticket or if the change leads to the passenger no longer having a right to a special price, You must bear such costs yourself.
